Rule 130
Maria Arena (S&D)

Subject: Imports of products originating in Crimea

The measures taken by the EU to sanction Russia for its annexation of Crimea and Sevastopol in March 2014 include a ban on imports of Crimean goods, unless they are covered by a certificate of origin issued by the Ukrainian Government, and a ban on investment in Crimea (Council Regulation 692/2014 of 23 June 2014).

How is the Commission monitoring the situation to ensure that the Regulation is implemented?

Is the Commission aware of the measures taken by the Member States, and is it providing coordination between them?
