Rule 130

Maria Noichl (S&D)

Subject: Berlin-Palermo Railway axis - TEN priority project No. 1 (Scandinavian-Mediterranean TEN-T core network corridor)

Are any funds being made available under the current EU budget (2014–2020) for the Brenner northern access route?

If so, does the co-financing come from the TEN budget item, the structural funds (in particular the ERDF) or the Cohesion Fund?
