Rule 130

Maria Noichl (S&D)

Subject: Berlin-Palermo Railway axis - TEN-T priority project No. 1 (Scandinavian-Mediterranean TEN-T core network corridor)

Was appropriate co-financing requested by the Federal Republic of Germany or the German Government?

If so, from what funds?

Will any funds be made available to Germany for the Brenner northern access route under the next MFF of the EU (2021–2027)?
