

**Question for written answer E-003355/2018
to the Commission**

Rule 130

Mirosław Piotrowski (ECR)

Subject: EU tax on raw materials

- 1) Is the Commission carrying out preparatory or assessment work for a tax on raw materials, including fossil fuels, at EU level, or drawing up a proposal for a tax of that kind?
- 2) Is the Commission preparing a proposal for, or carrying out simulations/trials/analyses to assess the potential impact of, the introduction of an EU tax on one-off plastics?
- 3) Is the Commission drawing a proposal to introduce a top-up tax on linear economy products and services at EU level?
