

Question for written answer E-004252/2018
to the Commission
Rule 130
Ingeborg Gräßle (PPE)

Subject: Geographical balance of EU officials

The Commission has identified an under-representation of staff in pay grades AD5-AD8, including German and French nationals. German nationals are at a mere 61% of the benchmark and those of France are at 72%. This deficit is likely to have an impact on the future representation of these groups in higher pay grades and on the recruitment of staff for managerial posts.

- (1) The Commission has said that it is drawing up measures and working on the General Implementing Provisions. Will the Commission please explain these in more detail?
- (2) Have these measures / implementing provisions been enacted yet?
- (3) What is the time-frame for this?
