Subject: Follow-up question to Written Question P-002339/2018 entitled 'EU-funded events on people-smuggling'

(1) In the Commission's view, what was the outcome of the Second International Human Trafficking and Smuggling Conference which it financed?

(2) Of the 382 projects which received financial help in 2017, almost 40% concerned various aspects of migration. Which of these had the explicit aim of improving the image of traffickers and smugglers? Which projects with this goal were co-financed by the Commission in 2015 and 2016?
