Subject: Single European Payment Act - follow-up question

On 13 August 2018, the Commission gave the following answer to my question about the Single European Payment Act (E-003236/2018): 'Therefore, the alleged use of direct charging for cross-border euro withdrawals and its compatibility with Union law would need to be investigated by the competent Spanish authority — Banco de España.'

1. Will the Commission take the initiative to arrange for this to be done?
2. Will the Commission keep me informed of the progress and results of this investigation?
