Rule 130

Laura Ferrara (EFDD)

Subject: Pisl - Calabria regional operational programme 2007-2013: 'Borg@rte Memoria Identità Cultura (Village@rt - Memory, Identity, Culture)' - Restoration of Palazzo Calogero

'Borg@rte Memoria Identità Cultura' is one of the integrated local development projects under the Calabrian region's operational programme 2007-2013, aimed at 'Enhancing Calabria's historical centres and villages of excellence', as defined by Decision of the Regional Council No 44 of 2011.

The project, with total funding of EUR 1 550 000, aims to improve local residents' quality of life while also attracting tourists through history, music and art, combined with scientific research and experimentation.

An integral part of this project was the 'restoration of Palazzo Calogero' in Borgia, which received a grant of EUR 450 000 to make the dangerous parts of the building safe, with the aim of transforming it into a landmark venue for cultural and artistic events.

However, as of today, following the completion of the operation, the use of Palazzo Calogero does not appear to comply with the aims of the project, as the building is currently the headquarters of the local municipal police.

In the light of the above, can the Commission say:

- 1) Whether the restoration and current use of Palazzo Calogero is consistent with the cultural and touristic aims of the Borg@rte Memoria Identità Cultura project?
- 2) Whether it considers the use of Palazzo Calogero as the headquarters of the municipal police to be legitimate?
