Subject: Implementation of the Action Plan in Support of the Transformation of the Western Balkans

The Commission communication entitled 'A credible enlargement perspective for and enhanced EU engagement with the Western Balkans' (COM(2018)0065) and its action plan envisage actions only during 2018-2019. However, the indicative deadline for accession of the frontrunners is 2025.

1. Why does the Action Plan in Support of the Transformation of the Western Balkans cover only the 2018-2019 period and not the period up to 2025?
2. What actions have already been started, or possibly concluded?
