

**Question for written answer E-003598/2019
to the Commission**

Rule 138

Roberta Metsola (PPE)

Subject: Delivery of parcels to all destinations in the EU

Certain limitations persist in the delivery by online shops and marketplaces to all EU Member States and their territories, particularly islands.

What is the Commission doing to help mitigate the effects of geographical barriers in the European Union with a view to facilitating more equal access to online goods and services for citizens everywhere in the EU?
