Subject: Cost of regular travel between Brussels and Strasbourg

A 2013 study shows that over EUR 100 million a year could be saved if all Parliament’s activities were transferred from Strasbourg to Brussels. According to the European Court of Auditors, millions more could be saved with a reduction in the travel costs of the Commission and the Council if Parliament were based completely in Brussels.

What was the total cost of regular travel between Brussels and Strasbourg for the Commission in 2018 and 2019?
