Subject: EU-Ukraine relations

Relations between the European Union and Ukraine have intensified in recent years. The EU also supports Ukraine in implementing various necessary reforms. In mid-2019, a new government was formed under Prime Minister Honcharuk.

1. The EU is also providing financial support to Ukraine under the Association Agreement. How much financial support has it provided since 2014?
2. Have Ukrainian citizens been entering the EU more frequently as a result of visa liberalisation? Which countries are particularly affected?
