

**Question for written answer E-006414/2020  
to the Commission**

Rule 138

**Tudor Ciuhodaru (S&D)**

Subject: Which scientific studies have served as a basis for developing the COVID vaccine intended for Romania?

Can the Commission indicate which scientific studies have been used to assess the efficacy of the COVID vaccine intended for Romania, and as a basis for recommendations, contra-indications and information regarding side effects and duration of immunity?
