

**Question for written answer E-006596/2020
to the Commission**
Rule 138
Harald Vilimsky (ID)

Subject: Shark protection measures taken by the Commission

In its answer to question E-002481/2020 on the protection of sharks, the Commission refers to measures it intends to take to combat illegal, unreported and unregulated fishing by third countries.

1. Can the Commission say specifically what form will be taken by measures or projects of this nature?
2. What action is it taking to monitor imports of such products?
