Question for written answer E-006647/2020
to the Vice-President of the Commission / High Representative of the Union for Foreign Affairs and Security Policy
Rule 138
Lars Patrick Berg (ID)

Subject: Yemen

The recent drive by the European External Action Service (EEAS) to move Yemen onto the agenda is welcome, although belated. The greatest humanitarian crisis in recent history has been strangely neglected.

Does this greater emphasis on Yemen represent a change of policy, and will the VP/HR be developing a strategy that is independent of the UN Special Representative?
