Subject: Situation of Eritrean refugees in Ethiopia

The situation of Eritrean refugees in Ethiopia – who number almost 750 000 – has been a cause for concern for several years. In recent months, they have also suffered as a result of the conflict between the central government and the Tigray People's Liberation Front.

Does the Commission have any information on the protection afforded to these refugees in Ethiopia?

How can the Commission help improve the living conditions of the refugees on the ground?

Are there any plans to resettle in the EU the Eritrean refugees currently in Ethiopia?
