Subject: Economic relations and academic cooperation with Latin America

In the programme for its Council Presidency<sup>1</sup>, Germany stated its intention to 'strive to further expand EU relations with Latin America and the Caribbean, not least with the aim of intensifying economic relations and academic cooperation'.

In addition to the informal meeting of EU and Latin American and Caribbean (LAC) Foreign Ministers held on Monday 14 December 2020 and the conclusion of negotiations on the modernisation of the Association Agreement with Mexico, what actions and initiatives has the Council launched with a view to intensifying economic relations and academic cooperation with Latin America?
