

**Question for written answer E-000523/2021
to the Commission**

Rule 138

Maxette Pirbakas (ID)

Subject: Aid for farms overseas

What measures will the Commission implement for the outermost regions, given their insularity and remoteness? Also, in the context of the COVID-19 crisis, what will it do to improve the flexibility of and accessibility to European aid for small- and medium-sized family farms overseas and fishermen overseas?
