

**Question for written answer E-000818/2021
to the Commission**

Rule 138

Ibán García Del Blanco (S&D)

Subject: Group of experts on licencing and valuation of standard-essential patents

The Commission has indicated that in 2021 it intends to publish the report of an expert group tasked with monitoring and making recommendations on standard-essential patent licencing.

1. What criteria did the Commission use to select the members of this group?
2. How will the Commission further ensure that the views of all interested stakeholders are represented following the publication of the report?
