

**Question for written answer E-002717/2021
to the Commission**
Rule 138
Tudor Ciuhodaru (S&D)

Subject: Processing Community waste

If no concrete action is taken, Romania risks becoming the landfill of Europe. Recent events in Constanța are just one in a long line of similar occurrences.

Is the Commission considering limiting the mobility of litter between EU Member States so that it can be processed at country level in order to make the European Green Deal a real success?
