to the Commission**

Rule 138

Tudor Ciuhodaru (S&D)

Subject: Transparency in the allocation of European funding through the Paying and Intervention Agency for Agriculture

EU funding allocated through the Paying and Intervention Agency for Agriculture is not governed by the rules on transparency. Would it not be normal to know exactly how all EU funding is being allocated? What does the Commission plan to do to guarantee transparency and remove any suspicions of funding being allocated on a discretionary basis?
