Answer given by High Representative/Vice-President Borrell
on behalf of the European Commission
(1.12.2021)

The EU Intelligence and Situation Centre (EU INTCEN) provides strategic intelligence on early warning, situational awareness, strategic foresight and threat assessments to support the various EU decision-making bodies.

EU INTCEN intelligence assessments are mainly based on the strategic intelligence assessments of EU Member States' intelligence and security services.

EU INTCEN is not the author of the intelligence report mentioned in the New York Times article. EU INTCEN does not know who authored the report in question.
