

**Question for written answer E-004236/2021
to the Commission**

Rule 138

Moritz Körner (Renew)

Subject: Purchase of bonds by investors

In the course of the COVID-19 crisis the Commission has issued bonds under the SURE and NextGenerationEU instruments. EU citizens have the right to know to whom they are indebted. The Commission lists the investors which have purchased the bonds on its website set out according to country of origin and type of bond.

Which specific investors have purchased how many bonds with what terms, and who currently possesses the bonds, set out in the form of a complete and detailed summary?
