

**Question for written answer E-004626/2021
to the Commission**

Rule 138

Maxette Pirbakas (ID)

Subject: Air pollution from the Sahara in Guadeloupe and Martinique

1. Pursuant to Article 168 of the Treaty on the Functioning of the European Union, will the Commission implement a health plan and provide funding for air pollution problems arising from Saharan sand haze?
2. Will the Commission help our outermost regions of Guadeloupe and Martinique to set up specific units in hospitals for air pollution crises?
