Rule 138

Rosa Estaràs Ferragut (PPE)

Subject: Regulation (EU) No 1151/2012 - Products of island farming

Article 32 of Regulation (EU) No 1151/2012 provides that, no later than 4 January 2014, the Commission shall present a report to the European Parliament and to the Council on the case for a new term, 'product of island farming'. The second paragraph of that article provides that the report 'shall, if necessary, be accompanied by appropriate legislative proposals to reserve an optional quality term "product of island farming"'.

1. Can the Commission explain why it has not put forward a legislative proposal regarding the term 'product of island farming'?
2. When does it plan to do so?
