to the Commission**

Rule 138

Rosa Estaràs Ferragut (PPE)

Subject: Launch of the European care strategy

The launch of a new European care strategy was announced by the President of the Commission in her 2021 State of the Union speech in September. The strategy will be a new measure to help carers and those in care, from early childhood education to long-term care.

1. When does the Commission intend to launch this strategy?
2. Towards which main milestones will this strategy be geared?
3. What measures will be introduced to ensure equality and solidarity between generations?
