Subject: Presentation of the brochure 'Union of Equality' by Commissioner Dalli

On 26 October 2021, Commissioner Dalli presented the brochure 'Union of Equality'. The document, the content of which can be summed up in the words 'self-hatred, gender madness and betrayal of all European traditions', is clearly a cultural Marxist manifesto gone mad that seeks to impose a dictatorship of minorities on the EU through a kind of 'newspeak'. For the Commission, an inclusive society is synonymous with cultural Marxism of the worst kind. Under pressure from various quarters, the Commission withdrew the document and stated that it was a work in progress.

1. Has the Commission definitively withdrawn the document?
2. Does the Commission, which maintains that it is not sufficiently 'diverse', intend in future to give priority to criteria such as race, colour, religion, gender and sexual orientation over education, knowledge, skills and merit?
3. What is the overall budget for production of the document?
