Subject: Questions about the EU Military Committee

A European Union Military Committee (EUMC) has been in place since 2001.

1. To whom is this committee accountable?
2. On what legal basis and on what grounds is information and documentation relating to this committee, even for Members of the European Parliament, difficult to access (only upon personal request) and not publicly available?
3. Why is there information exchange with external organisations such as NATO but not with the European Parliament?
