

**Question for written answer E-000443/2022
to the Commission**

Rule 138

Martin Schirdewan (The Left)

Subject: Questions on the European Defence Fund

According to the Commission, as of 2021, the European Defence Fund has provided the EU with an instrument to finance 'collaborative research and capability development projects'.

1. Who decides on the allocation of EDF funds?
2. Who oversees the allocation and use of EDF funds?
3. Which projects have received funding from the EDF and what grants and sums have been awarded so far?
