to the Commission**

Rule 138

Tudor Ciuhodaru (S&D)

Subject: Humanitarian crisis of refugees from Ukraine

The situation of refugees from Ukraine is becoming ever more serious by the day. The military crisis is, in practice, being made doubly worse by a humanitarian crisis. Is the Commission considering establishing concrete needs identification and funding solutions, by means of a programme run in cooperation with local and national authorities, to provide accommodation, food and transport to, and in, hospitality centres in the countries in which these refugees are arriving?
