Subject: Need to implement Council Directive 2001/55/EC of 20 July 2001

Assistance from the Asylum, Migration and Integration Fund is provided for implementation of the measures set out in Council Directive 2001/55/EC of 20 July 2001. If the number of displaced persons exceeds the indicated intake limit of EU Member States, the Council will take appropriate measures, in particular recommending additional assistance for the countries affected.

How much longer do we need to wait for the implementation of Directive 55/2001 on temporary protection in the event of a mass influx of displaced persons and the provision of EU funding?
