to the Commission**

Rule 138

Niklas Nienaß (Verts/ALE)

Subject: Nord Stream 2 – Meetings

What is the Commission's assessment of the meetings between Manuela Schwesig and Gerhard Schröder, a member of the supervisory board of Gazprom, on the establishment of the Mecklenburg-Vorpommern Climate and Environmental Protection Foundation?

Does the Commission have information on other meetings between the Government of the Land of Mecklenburg-Vorpommern and/or the management and boards of the 'Climate Foundation' and representatives of Gazprom and/or the Russian Government?

Was the Commission involved in discussions on the establishment of the Climate Foundation or informed in advance of any meetings, and were Commission representatives able to participate in such meetings?
