

**Question for written answer E-001158/2022
to the Commission**
Rule 138
Clare Daly (The Left)

Subject: Status report on the REACH Evaluation Joint Action Plan milestones

Can the Commission and the European Chemicals Agency give a status report on the REACH Evaluation Joint Action Plan, giving the initial results of the different measures detailed in the action plan¹?

What reforms have been undertaken to speed up the regulation of chemicals and minimise unnecessary evaluation delays?
