

Question for written answer E-001297/2022
to the Commission
Rule 138
Peter Lundgren (ECR)

Subject: Support measures for farmers

Commissioner Janusz Wojciechowski has proposed four support measures for European farmers to compensate for the consequences of the war in Ukraine.

Support the pork industry via a private storage scheme.

Deploy EUR 500 million from the agricultural crisis reserve + EUR 1 billion in co-financing from Member States.

Temporary derogation to allow protein crops to be grown on fallow land.

Allow EU countries to provide support measures to farmers.

1. How will the Commission assess which farmers are eligible for this emergency money?
2. How will the Commission ensure that the crisis money is properly disbursed and is not used to distort competition?
