Upon explicit request of the Italian government, the municipality of Campione d’Italia, an Italian exclave in the territory of Switzerland, was included in the customs territory of the EU from 1 January 2020 by Regulation (EU) 2019/474.

Based on the information possessed by the Commission and on the elements provided by the Honourable Member, the Commission considers that the issues referred to in the question are to be discussed bilaterally by Italy and Switzerland. According to the information provided by the Italian government to the Commission, Italy is committed to resolve these problems in cooperation with Switzerland. The Commission is available to offer Italy support in this matter.
