Subject: Russian response to EU sanctions

The recent escalation of sanctions imposed by the European Union on Russia in response to Russia's unprovoked and unjustified invasion of Ukraine has prompted retaliatory sanctions from the Kremlin that apply 'to the EU's top leadership, including several European Commissioners and heads of EU military structures, as well as the vast majority of Members of the European Parliament who promote anti-Russian policies'.

Since few details have been given about these sanctions, their nature and their targets, I would like to ask the Commission:

1. Is it in possession of this list of sanctions?
2. Can it be made public?
