

**Question for written answer E-001766/2022
to the Commission**

Rule 138

Francisco José Millán Mon (PPE)

Subject: Commission's organisational structure and allocation of its resources in the light of Brexit

In its resolution of 5 April 2022 on the future of fisheries in the Channel, North Sea, Irish Sea and Atlantic Ocean in the light of the UK's withdrawal from the EU¹, Parliament 'calls on the Commission, given the challenge of addressing in a coordinated manner the challenges posed by Brexit in the North-East Atlantic, to take the appropriate decisions on organisational structure and resources'.

In the light of the above:

What decisions has the Commission taken on its organisational structure and on the allocation of its resources with a view to tackling the fisheries-related challenges posed by Brexit more effectively?
