

**Question for written answer E-001821/2022  
to the Commission**

Rule 138

**Marc Botenga** (The Left)

Subject: Purchase agreement for the Sanofi-GSK vaccine

The vaccine purchase agreement concluded between the Commission and Sanofi-GSK has a term of two years, starting from the date of signature.

Given the challenges and delays in developing this vaccine, what measures or initiatives is the Commission planning if Sanofi-GSK fails to deliver the contracted doses by September 2022?
