Rule 138
Guido Reil (ID)

Subject: Child marriage

A few decades ago, child marriage was mainly an Asian and African phenomenon. Unfortunately, owing to the rise in migration, it is also becoming increasingly common in EU Member States.

1. How many child marriages have been registered by police in the Member States over the past five years? Please provide a breakdown by nationality of the persons concerned.
2. In how many countries are these child marriages recognised by the State and under what conditions?
