Subject: Award of contracts to UK agencies after Brexit

On 31 January 2020, the UK left the EU, thereby calling the close economic cooperation with the remaining 27 EU Member States into question. Accordingly, the EU also needs to consider whether to continue awarding contracts financed by EU funds to UK agencies and bodies.

1. How many contracts have been awarded to British agencies since Brexit?
2. What is the total value of such studies and contracts?
3. How many UK experts have been invited to hearings or stakeholder meetings since Brexit and why?
