Answer given by Mr Wojciechowski
on behalf of the European Commission
(7.7.2022)

The Expert Group for Technical advice on Organic Production (EGTOP) has discussed STRUBIAS and struvites during several of its meetings¹, most recently on 7, 8 and 9 June 2022.

Based on the recommendation in EGTOP's final report on fertilisers, to be published soon, the Commission will take a decision on the possible inclusion of these products.
