The implementation of the Directive (EU) 2019/790 and Directive (EU) 2019/789 is a priority for the Commission. The Commission has recently sent reasoned opinions to 13 Member States which have not yet adopted the necessary national implementation rules for the Directive (EU) 2019/790 and to 10 Member States that have failed to transpose the Directive (EU) 2019/789. These Member States have 2 months after receiving the reasoned opinion to remedy the situation and adopt national transposing measures for these directives. Otherwise, the Commission may decide to refer them to the Court of Justice of the EU.

However, the Commission is not competent to take specific additional measures to ensure compensation to artists in the sense suggested by the question.
