Subject: Need to assess implementation of Web Accessibility Directive

In March 2021, the European Commission adopted its disability rights strategy for 2021-2030.

This strategy referred to the need to assess the implementation of the Web Accessibility Directive in 2022.

1. What measures have already been taken to evaluate the Directive?
2. How were disability organisations involved in the evaluation?
3. How will the Commission address shortcomings regarding the scope of the directive, technological progress and consistency with other relevant EU legislation?
