to the Commission**

Rule 138

Jean-Lin Lacapelle (ID)

Subject: The Commission should class 'Antifa' groups as terrorist organisations

In several European countries, particularly in France, extreme left-wing groups known as 'Antifa' have been involved in extremely serious violent incidents, physically attacking police officers and causing extensive damage.

In view of these actions, such groups should be classified as terrorist organisations by Member States.

What is the Commission's view on this?
