to the Commission**
Rule 138
Cindy Franssen (PPE)

Subject: Ratification of ILO Conventions 155 and 187

The EU Strategic Framework on Health and Safety at Work 2021-2027 makes it clear that the Commission regards health and safety as a top priority.

In June 2022, the ILO decided to make two health and safety conventions (155 and 187) core conventions, making health and safety a fundamental right.

Unfortunately, only 11 EU Member States have ratified both conventions.

1. What will the Commission do to encourage Member States to ratify both conventions?
2. Will this be addressed at the occupational safety and health summit that has been announced for 2023?
