Rule 138
Cindy Franssen (PPE)

Subject: Revision of the directive on safety and health for the workplace

On 28 June 2021, the Commission presented the EU Strategic Framework on Health and Safety at Work 2021-2027.

It proposed that, as a result of the increase in teleworking, Council Directive 89/654/EEC of 30 November 1989 on the minimum safety and health requirements for the workplace (first individual Directive within the meaning of Article 16(1) of Directive 89/391/EEC) should be updated and revised in 2023.

1. How is the Commission organising the assessment of the current directive?
2. What is the social partners' involvement in the assessment?
3. When in 2023 will the Commission present a revised directive?
