Subject: Commission President's statement on the Ukrainian death toll

On 1 December 2022, the Commission President stated that the number of military officers killed on the Ukrainian side was upwards of 100 000 and the number of civilian deaths in excess of 20 000.

1. On what sources are the Commission President's figures based?
2. Did the Commission President have the figures verified in advance by an independent source?
