E-004073/2022

Answer given by Vice-President Jourová
on behalf of the European Commission
(14.3.2023)

It is for the European Parliament to decide whether or not to assess scope and impact of its decisions concerning Morocco's interests and in respect of which there could be doubts concerning the necessary guarantee of impartiality and transparency. It is also for the European Parliament to decide whether or not to lodge an internal appeal procedure on the votes concerned.
