

**Question for written answer E-000010/2023/rev.1
to the Commission**
Rule 138
Tudor Ciuhodaru (S&D)

Subject: Measures to contain viral diseases in Europe

In view of the increase in the number of viral diseases in Europe and the shortage of essential medications to treat them, what measures can the Commission take to ensure that the needs of European citizens in this respect are met?
