

**Question for written answer E-000199/2023
to the Commission**

Rule 138

Martin Schirdewan (The Left)

Subject: EU state aid rules for chip manufacturers

1. Has the Commission received a notification from Germany regarding an exemption for the chip manufacturer Intel from the state aid rules under Article 107(3) TFEU, and, if so, when can a response from the Commission be expected?
2. Considering that Article 13 of the Chips Act provides for support by Member States for chip manufacturers with regard to Articles 107 and 108 TFEU, will it only be possible for chip manufacturers to receive state aid after the adoption of this act?
3. Have any other countries already submitted a notification for chip manufacturers to the Commission, and, if so, what was the Commission's response?
